Ebook Details:

Review: Excellent an engrossing book about Alice Neels life.Fascinating early years and how she survived thanks to the WPA.Also how she dealt with the challenge of raising a family on her own, while staying true to her art form in the face of abstract expressionism.Found her story an inspiring tale, filled with challenges, that she surmounted.Highly recommend....

Description: Alice Neel liked to say that she was the century and in many ways she was. She was born into a proper Victorian family, and came of age during suffrage. The quintessential Bohemian, she spent more than half a century, from her early days as a WPA artist living in the heart of the Village, through her Whitney retrospective in 1974, until her death ten...
